Gaurav Sonkar

Phone: +91 9131930576 | gaurav953@bhu.ac.in

https://www.linkedin.com/in/gauravsonkar953bhu | https://github.com/Gaurav-SonkaR | gauravsonkar.bhu@gmail.com

MCA student with strong Python, C/C++, Java, Excel, NumPy, Matplotlib, Seaborn, Pandas skills. Seeking full-stack development , data analysis and data science roles.

Projects

Pizza Sales Analysis (SQL) (https://github.com/Gaurav-SonkaR/Pizza-Sales---SQL)

- Conducted SQL analysis of pizza sales data. Uncovered insights for business optimization.

Sales Analysis Project (Python) (https://github.com/topics/sales-analysis)

- Leveraged Python (pandas, seaborn) for sales data analysis. Identified key customer segments and top-selling products to optimize customer experience and inventory management.

Weather App (React js , HTML , CSS , JavaScript ,API) (https://github.com/Gaurav-SonkaR/WeatherApp-reactjs)

- Developed a dynamic weather app using React, HTML, CSS, JavaScript, and a weather API. Demonstrated skills in frontend development, state management, and API integration.

Netflix Clone (HTML , CSS) (https://github.com/Gaurav-SonkaR/netflix-clone)

- Built a functional Netflix frontend clone using HTML and CSS. Demonstrated proficiency in web development fundamentals and attention to detail.

Education

Oct 2023 - July 2025   **6.3 SGPA**

Banaras Hindu University , Varanasi – *Master in Computer Application*

July 2019 - Apr 2022   **76%**

Govt. Digvijay College, Rajnandgaon – *Bachelor in Computer Application*

Coding Platforms

- **Leet Code :** https://leetcode.com/u/gaurav-sonkar/
- **Coding Ninjas :** https://www.naukri.com/code360/profile/b64d06cb-1b58-4f82-8726-2f7347bd2efc

Skills

Programming	: Python , C , C++ , Java , SQL , Excel , JavaScript
Visualization	: Power BI, MS Excel, Jupyter Notebook
Database	: MySQL
Frameworks/Libraries	: React js, Numpy , Pandas , Matplotlib , Seaborn , Tailwind CSS , Bootstrap , GitHub
Soft Skills	: Data Structure and Algorithm , Communication Skills, Presentation
